Submitted to His Highness

I submit herewith draft orders appointing Mr. T. G. Lakshmana Rao, Executive Engineer, as President of the Mysore City Municipal Council and Chairman of the Board of Trustees, Mysore, for a period of one year, as a temporary measure.

2. The two Councillors approve of the appointment. Mr. Lakshmana Rao himself, whom I met today, would prefer an appointment in the Districts for personal resons, but he is willing to obey the orders of Government and to endeavour to do his best in the new appointment

3. I understand that the appointment will meet with the approval of the leading citizens of Mysore.

4. His Highness discussed the pros and cons of the case with me and has been pleased to give his consent to the appointment.

5. I solicit approval to the four accompanying draft orders. In making these arrangements, it is proposed to transfer Mr Aswathanarayana Rao, Executive Engineer, Trust Board, Mysore, to Kannambady

6. Under these altered arrangements awaiting

final approval, there will be, not an increase, but a reduction in the total establishment charges

Proceedings of the Government of His Highness the Maharaja of Mysore.

[illegible]:- No.

Dated Bangalore, [illegible] March 1915.

Government consider that in consequence of the multifarious and heavy duties ordinarily devolving upon the Deputy Commissioner of Mysore, he is unable as ex-officio President of the City Municipal Council and chairman of the Board of Trustees, to devote that amount of attention to the affairs of these departments which their importance and magnitude require.

2. The question therefore of appointing a separate whole-time officer who can devote his undivided attention to these Departments, has, for some time past, been under consideration and discussion and Government have come to the conclusion that this arrangement deserves a fair trial. Accordingly, they are pleased to direct that as a tentative measure, Mr T G Lakshman Row, Executive Engineer, 4th Class, temporary, be appointed whole time President of the Municipal Council and Chairman of the Board of Trustees.

3. A full report should be submitted on the result of the working of this arrangement after a year from this date, so as to enable Government to consider whether it may be advantageously continued, and, if so, whether the Board of Trustees may be amalgamated with the Municipal Council under suitable conditions.

4. Government direct that during Mr Lakshman Row's term of appointment as President of the Municipal Council and Chairman of the Board of Trustees, he be allowed a salary of Rs 500 plus 100 local allowance per mensem.

5. On purely engineering questions, Mr Lakshman Row will receive his orders from the Chief Engineer.
